**2.0 ITEMS OF GENERAL BUSINESS**

**2.1 Town Meeting**

Mayor Blomberg provided a brief overview of the purpose for the Town Meeting and invited anyone who had any questions or comments about the Village to come before the Board.

Mayor Blomberg noted neither the Board nor Staff received any e-mails or calls regarding issues to be discussed at the Town meeting.

A resident approached and asked if the Village planned on installing a pedestrian crossing light at the corner of Route 45 and Milwaukee Avenue.

Engineering Supervisor Horne noted a bid opening for this project is taking place May 15, 2014 with the expectation the project construction would start in late summer. Engineering Supervisor Horne noted the pedestrian signals are planned to be installed only along the north and east leg of this intersection.

Trustee Brandt noted her desire to have this project done due to safety issues for pedestrians; however, she did note that Milwaukee Avenue and Olde Half Day Road are State roadways and not under Village jurisdiction.

Trustee Brandt noted Lincolnshire agreed to include funds for this project in the budget for the current year even though it is not in Village jurisdiction.

Trustee Feldman noted it was her recommendation to have the businesses in Vernon Hills reach out to the Village of Vernon Hills to encourage financial support with the project since the light would benefit these businesses by making the shopping center more accessible to pedestrians.

### **3.0 ADJOURNMENT**

Trustee Grujanac moved and Trustee Brandt seconded the motion to adjourn. The voice vote was unanimous and the Mayor declared the meeting adjourned at 7:08 p.m.

Respectfully submitted,
